## SPECIAL SELECTMEN'S REPORT

---

Years ago it was the custom of the Selectmen to make an annual report of this kind, to acquaint the people with the business which had been transacted and that which was contemplated. For some number of years this has not been done, we feel that by reviving this practice you will be closer to Town affairs and will have a better understanding of same.

We have had a very successful year, because of an increase in valuation due to new building, etc. Our tax rate was reduced from a previous high of \$51.50 to \$47.50; this is a healthy condition and we hope that another decrease in the rate will be possible this year. You will note in the Auditors report that we have an over all budget balance of \$6,574.07. This has had the effect of reducing the Town debt by that amount making our net Town debt the lowest it has been for years. This \$6,574.07 does not include balances of Special appropriations amounting to \$1,100.00 which are to be acted upon under an article in our Town Warrant.

Most of our departments this year have balances, the few that don't are the result of unforeseen expenses which could not be included in the budget. The overdraft of \$105.13 in Election and Registration was mostly caused by the many adjourned town meetings which we were forced to hold this year; other departments showing small overdrafts were the Town Poor and Soldiers Aid accounts, these were due to the cost of Transportation and service charges on Surplus Commodities; it is explained later in this report.

During the year we have had close contact with our various Town departments and the department heads

have been very cooperative; this has resulted in many savings and increased services. You will note that under Legal Services and fees a total of \$1,231.93 was spent, leaving a balance of \$501.42, the amount spent, was for legal services connected with the several law suits and Court cases which, with the exception of the Hampton and Seabrook boundary case have all been disposed of, the Boundary case is practically all prepared and hearings on same are due to start March 1. We hope that a speedy settlement will be reached.

Regarding Surplus Commodities; early last spring when the commodities became available, in view of the Welfare situation and the many needy families in this Town this board thought it wise to participate in this program. The cost to the Town has been relatively small, we only are obliged to pay the cost of transportation and a small service charge to the State. Since April 1950, we have received and distributed many thousands of dollars worth of these foods. A distribution system has been set up and the Town has benefited by it greatly. There has been a whole lot of work connected with this program. These commodities are received in bulk and have to be processed, wrapped, packaged, etc. As there is no appropriation available to pay for this work, it has all been done by volunteer labor, this board is grateful to all those who assisted in this work. We feel that these commodities have gone a long way toward keeping our Welfare department cost down and has also helped immensely those families not receiving direct relief who are in the low income brackets.

This last year due to our Town meetings having been adjourned so many times because of a Budget misunderstanding, it was very late in the season when our Tax Rate was finally approved. We want to thank those taxpayers who responded to our suggestion that the

Tax Collector would accept payments in advance of receipt of bills, this saved us from borrowing many thousands of dollars in anticipation of Taxes and enabled us to keep our accounts up to date.

Improvements have been made at our Town Dump on Lower Rocks Road. The location of the dump has been changed, making it more accessible and as the dump area is enlarged, gravel is hauled in to cover same, further improvements and more strict regulations are planned this year.

You will note that the balance due the School District on January 31, 1950 is \$25,500.28, this is more than \$4,000.00 less than was due on January 31, 1949, this takes in account a difference of \$1,831.50 which is explained in the State Auditors report. This is mentioned to explain that the School Board and this Board have reached an agreement on the amount of money needed monthly to meet school needs and payments are being made accordingly.

Because of unsettled conditions abroad and other factors, the State has requested each Town to appoint a Civil Defense Director and to set up a Civil Defense Program, this we have done. We have appointed Mr. Montiville Leslie as Director and he has proceeded in a fine manner to carry out his duties. Meetings are held regularly at the Locke School Building. This defense program was started since the last Town meeting and there were no funds available for necessary expenses. There is an article in our current Town Warrant to raise a sum for this department.

In presenting this annual report we have discussed but a part of the business transacted, but a full financial report by the State Auditors is presented within and this Board is always ready to discuss any matter at

the regular Board meeting which is held every Monday evening. This regular meeting every Monday evening was instituted this year and is working out fine, all Town business is transacted at these meetings.

In closing we again thank the Department heads and all others who have cooperated to make this a fine and successful business year.

EMERY M. EATON,  
MYRON B. FELCH,  
WILLIAM H. SANBORN,  
Selectmen.

**DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION**

**Concord, New Hampshire**

February 23, 1951

Board of Selectmen  
Seabrook, New Hampshire  
Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Seabrook for the fiscal year ended December 31, 1950, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Municipal Court and Trustees of Trust Funds.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets: Dec. 31, 1949 - Dec. 31, 1950:  
(Exhibit A-1)**

Comparative Balance Sheets as of December 31, 1949 and December 31, 1950, are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by \$6,574.07 during the year 1950.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

Decreases in Net Debt		
Budget Surplus	\$4,683.12	
Long Term Notes & Bonds Paid	2,000.00	
	<hr/>	\$6,683.12
Increases in Net Debt		
Decrease in Accounts Receivable	\$54.14	
Taxes Deeded to Town	54.91	
	<hr/>	\$109.05
<b>Net Decrease</b>		<hr/> <b>\$6,574.07</b>

## **Comparative Statements of Appropriations and Expenditures Estimated and Actual Revenues: (Exhibits A-3 & A-4)**

Comparative statements of appropriations and expenditures estimated and actual revenues for the fiscal year ended December 31, 1950, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$2,979.14, plus a revenue surplus of \$1,703.98, resulted in a net budget surplus of \$4,683.12.

## **Statement of Long Term Indebtedness: (Exhibit G)**

A statement of long term indebtedness as of December 31, 1950, showing annual maturities of principal and annual interest requirements, is contained in Exhibit G.

## **Summary of Receipts and Expenditures: (Exhibit B-1)**

A summary of receipts and expenditures for the fiscal year ended December 31, 1950, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1950, is indicated in Exhibit B-2.

## **AUDIT PROCEDURE**

The accounts and records of all town officials charged with the custody, receipts and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records.

## **GENERAL COMMENTS**

### **Revised Balance Sheet — December 31, 1949: (Exhibit A-1)**

The balance sheet of December 31, 1949, was revised by increasing the appropriation liability to the School District on that date from \$27,783.47, as originally reported, to \$29,614.97. This increase of \$1,831.50 was made in accordance with our findings as a result of the audit of the accounts of the Seabrook School District, which was made on July 14, 1950.

#### **Uncollected Poll Taxes of Prior Years:**

In our report of last year's audit, we commented on the fact that there were uncollected poll taxes on tax warrants of levies going back to 1941. The recommendation was made that the lists should be carefully gone over by the Board of Selectmen and Tax Collector and that such taxes as appeared to be uncollectible should be abated. It is noted that during 1950 all uncollected taxes on the 1941, 1942 and 1943 warrants were abated.

It is further recommended that attention again be given this year to the matter of eliminating additional uncollectible poll taxes through abatement procedure. Inasmuch as collections of poll taxes on the warrants of 1944 to 1948, inclusive, amounted in total to only \$15.00, it is apparent that the larger part of the uncollected taxes on these warrants should be abated.

#### **Trust Funds:**

It was found that the bank books, representing the invested principal and accrued interest of the trust funds, had not been presented each year to the banks for the purpose of having the annual dividends entered. This should be done in the future.

#### **Conclusion:**

The accounts and records of all town officials which we examined were found in good condition and the accounting procedure conformed to the prescribed methods.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report or a summary of its essential features shall be published in the next annual Town report.

We extend our thanks to the officials of the Town of Seabrook for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director.  
Division of Municipal Accounting  
State Tax Commission.

Herbert E. Hunt, Auditor  
Robert W. Flanders, Accountant

## CERTIFICATE OF AUDIT

February 23, 1951

This is to certify that we have audited the accounts and records of the Town of Seabrook for the fiscal year ended December 31, 1950, and found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition of the Town as of December 31, 1950, together with the results of operations for the period under review.

Respectfully submitted,

HAROLD G. FOWLER, Director.  
Division of Municipal Accounting  
State Tax Commission.

Herbert E. Hunt, Auditor  
Robert W. Flanders, Accountant

## REPORT OF

### SEACOAST REGIONAL DEVELOPMENT ASS'N.

---

This is one of the six incorporated regional Associations accredited by the State carrying on effective programs of publicity and information through central offices and maintaining a service whereby their cities and towns are brought together through representative citizens as directors in constructive work for economic advancement of their communities.

The Seacoast Association has accomplished much by dignified publicity for the Region, its natural resources, scenic and historical attractions, excellent facilities and services, fine educational institutions and its unsurpassed products of agriculture, industry and marine fisheries.

This far reaching publicity has been instrumental in the creation of more business, the expanded building of taxable property and providing employment. Comparable publicity and effective results would be extremely difficult for any community to accomplish alone and the cost would be prohibitive.

The Association has brought civic and business groups together for promotional objectives and to meet arising problems by proper approach and considerable progress has been realized.

Extensive studies are well under way for preserving the clam and lobster industries.

The shore and beach erosion problem is being given particular attention.

Assistance is being extended for rivers, harbors, and bay improvements, transportation facilities, highways, roadsides, erosion, agricultural fairs, 4-H clubs, green pastures, recreational areas, Coast Guard service, marine fisheries, industrial development, historic attractions, conventions and other important considerations.

The Association is constantly in contact with Local, State and Federal agencies, is well represented on Commissions and advisory boards and is the accepted source of information and assistance in all these connections.

The State appropriates funds to be used for salaries of regional association secretaries. The Associations are called upon by the State as representatives of their respective regions. The cities and towns are relied upon to enable the associations to maintain and improve these services.
